ATHRA News #3 – May 2010 Call for Papers – Perth Meeting in September 2010

The revised format of ATHRA Meetings gives greater opportunity for presentation from within the tourist and heritage sector and the wider rail and tourism industry. Accordingly, a Call for Papers is being made.

Presentations are invited on any topic that is of interest to the tourist and heritage sector. In broad terms, possible topics include:

- Achievements of your railway or tramway
- Challenges you are looking for solutions to
- New ideas and products
- Opportunities to partnership

Presenters are required to supply a paper to be distributed to attendees. Presentations will be 20-30 minutes in length except by arrangement.

Any person wishing to make a presentation at the Perth Meeting should send a 100 word abstract of their paper to the ATHRA Secretary (secretary@athra.asn.au) by 20th June 2010.

Proponents of selected papers will be advised by 30th June and will be required to submit their final paper to the Secretary by 6th August 2010.
